Looking for a general contractor to help you design and build your Dream kitchen or living space?

What sets us apart is that we are the only contractor you will need to deal with from start to finish. From working with you to develop a personal, custom design to providing assistance with wood selection, door style, finishes and cabinet hardware. Since we do all our own work you can be assured that ALL of the work completed will be of the highest quality including tile, stonework, painting, appliance installation, electrical and plumbing.

Facts About Us.

- We guarantee our work to last.
- 17 years as a New Mexico licensed contractor (NM Licence # 93057)
- Carpentry skills handed down from father to son – over 70 years of craftsmanship skill.
- 2nd Generation does all our own work from demo and debris removal to construction, walls, paint, floors, lighting, appliance installation and cabinets.
- Built-in customized cabinetry designed especially for your home or office.
- Hand picked materials for each project using the highest-grade (A-1) lumber available. Standard choices include Oak, Maple, Birch, Alder and Hickory. Although we will price and build out of the wood of your choice, with the design and finish you choose.

- Hand rubbed nitrocellulose lacquer For a high gloss finish that has look of glass and elegance. Or natural finishes using penetrating Danish oils, or sprayed-on waterbased polyurethane's. Also any custom finishes you prefer.
